OUR HISTORY

OUR LEGACY

HSA Properties carries forward a distinguished legacy built over five decades by Husnain Cotex (Pvt) Ltd, a pioneer in Pakistan's construction sector. Founded by Muhammad Yousuf Sheikh in 1967, the group shaped the nation's landscape with landmark projects like highways and bridges. Under Sheikh Ayub's leadership, it expanded with premium developments like Royal Residencia Lahore and Harappa, Sahiwal and Royal Villas in Multan. Today, third-generation leader Hashir Sheikh Ayub drives HSA Properties with a future-forward vision rooted in tradition.
